## > Dissemination and applications of research results

- I'm vice-chairman in the non-profit organization FmF, (Researchers meeting Filmproducers). I have in that capacity taken part in Filmfestivals both in Sweden (Göteborg and Helsingborg) and abroad (Austria),
- I cooperate with Film-makers engaged in documentaries. The Film *The Art of Being Human* (Konsten att vara människa) is based on my research and broadcasted on Swedish television (SVT 2, 28 Febr. 2010)
- I have experience in the 1980s from being responsible, together with Boel Flodgren, the former Vice-chancellor at Lund university, for organizing and producing two academic courses, one about Labour law and the other an Introduction to legal studies, set up by the Swedish Educational Broadcasting Company,
- As chairman of the NGO "The Organisation for Working life and Research" (Förbundet arbetsliv och forskning) I work with integrating theory and practice by among other things organizing public seminars,
- I have been given speeches for among others, The Swedish Council for Adult Education, the Net University, the Swedish Agency for flexible learning, for Krinova (Kristianstad),
- I take part in a film on the homepage of the Equal Opportunities Ombudsman where I comment on the role of law in general and the law about Equal opportunities specifically.
- Presently Chief Editor of the journal "Work Life in Transition"
- I'm interviewed regularly on television and in radio, as well as in different newspapers, commenting certain events.
