## *Plan of traineeship*

After the period of traineeship at

.....

the student should be able to:

- express and use an understanding of the links between theory and practice, within a field related to Criminology
- develop knowledge about how to incorporate Criminology Studies perspectives in a specific activity
- gather, analyse and present information
- develop a deeper understanding of how a specific job can be conducted and carry out criminological analyses of working practices
- carry out qualified work-related tasks with a criminological profile

To achieve these goals the student should be given:

- opportunity to actively take part in the regular activities of the organisation's tasks that are of analytical as well as more practical nature
- a traineeship task is to be carried out individually

During the traineeship the student should have follow-ups with the supervisor at regular intervals; at least six of these should be scheduled in advance. The supervisor in charge is required to fill out an evaluation and issue a certificate at the end of the period, to be sent to the Department of Sociology/ Sociology of Law, Lund University.

I hereby certify that the traineeship will follow this plan:

.....

Date and Signature of traineeship supervisor

As a student I am fully aware of the fact that I alone am responsible for all financial matters related to the traineeship such as costs for extra accommodation and travel costs connected to the traineeship. After the traineeship is completed, a traineeship report together with my evaluation form will be handed in to the Department of Sociology / Sociology of law, Lund University.
