Plan of traineeship

After the period of traineeship at

.....

The students must demonstrate the ability to

- independently formulate and conduct a sociology of law analysis, critically evaluate and present this in a qualified way
- apply theoretical and methodological knowledge in sociology of law in the tasks that are linked to the student's workplace task
- collect, present and analyse information from a sociology of law perspective.

To achieve these goals the student should be given:

- opportunity to actively take part in the regular activities of the organization's tasks that are of analytical as well as more practical nature
- a traineeship task is to be carried out individually

During the traineeship the student should have follow-ups with the supervisor at regular intervals. The supervisor in charge is required to fill out an evaluation and issue a certificate at the end of the period, to be sent to the Department of Sociology/ Sociology of Law, Lund University.

I hereby certify that the traineeship will follow this plan:

.....

Date and Signature of traineeship supervisor

As a student I am fully aware of the fact that I alone am responsible for all financial matters related to the traineeship such as costs for extra accommodation and travel costs connected to the traineeship. After the traineeship is completed, a traineeship report together with my evaluation form will be handed in to the Department of Sociology / Sociology of law, Lund University.
